Thank you for choosing Nightway Hosting LLC as your hosting provider. Our Acceptable Usage Policy (AUP) outlines the terms and conditions for using our hosting services. By using our services, you agree to comply with this policy. We reserve the right to update this policy at any time without notice.

1. **Lawful Use:** Our hosting services may only be used for lawful purposes. You may not use our services to transmit or store any material that is illegal, fraudulent, defamatory, or infringes on intellectual property rights.
2. **Prohibited Activities:** The following activities are strictly prohibited and may result in immediate suspension or termination of services:
 - Spamming, including sending unsolicited emails or messages
 - Phishing, including attempting to obtain sensitive information from others
 - Hacking, including attempting to gain unauthorized access to servers or accounts
 - Hosting or distributing malware, viruses, or other harmful software
 - Running any form of cryptocurrency mining, including browser-based mining scripts
 - Engaging in any activity that causes a disruption to our network or the networks of others
3. **Resource Usage:** Our hosting services are shared resources, and excessive usage may negatively impact other customers. You may not use our services to consume excessive resources, including disk space, bandwidth, or CPU usage. We reserve the right to limit your resource usage or suspend services if necessary.
4. **Security:** You are responsible for maintaining the security of your account and password. You may not attempt to circumvent any security measures or access resources that are not intended for you. You must promptly notify us of any suspected security breaches or unauthorized access to your account.
5. **Content:** You are solely responsible for the content you publish or store on our servers. You may not publish or store any material that is offensive, defamatory, or infringes on intellectual property rights. You must comply with all applicable laws and regulations related to your content.

6. Backups: We perform regular backups of our servers, but we cannot guarantee the availability or integrity of these backups. You are responsible for maintaining your own backups and should not rely solely on our backup services.
7. Suspension and Termination: We reserve the right to suspend or terminate services at any time for any reason, including violation of this AUP. We will attempt to provide notice before suspending or terminating services, but we may not be able to do so in all circumstances.

If you have any questions or concerns about this AUP, please contact us. We are committed to providing a safe and reliable hosting experience for all of our customers.
